

It's Jackson by a Nose

It looks like high rollers unable to satisfy their gambling itch this Triple Crown season are putting their money on Jacko from Neverland.

The Internet gambling universe is betting heavily on the outcome of the **Michael Jackson** trial. Current odds favor acquittal.

"It's not unlike a sporting event. . . . It's just a longer, more drawn-out variation of it," says **Calvin Ayre** of Bodog.com, an online gambling site.
